

Environmental Policy

Mane Contract Services Limited specialises in the recruitment and supply of Contract, Professional, Technical and Trade Personnel. We recognise our responsibility to ensure that our business activities do the least possible damage to the environment.

Mane Contract Services Ltd is committed to a policy of Environmental Management throughout its operations. Furthermore, the Company is committed to a process of continual improvement of performance. The Company will ensure that these objectives are achieved by:

- Consideration of environmental effects and commitment to pollution prevention in all business decisions including the purchase of materials or equipment and the adoption of new technology / processes.
- Re-use or re-cycling of waste materials whenever possible, prior to disposal
- Minimise the use of resources (Materials, Fuel and Energy) therefore reducing wastage.
- Encouraging all third parties involved with our business to adopt a policy of environmental management
- Provide adequate resources for the achievement of the policy objectives.

Within this overall objective, we have both a moral and legal obligation to ensure that we work safely and to ensure that others work safely. To this end, the Company maintain a Health and Safety Policy and Quality System. All those employees, temporary workers and contractors who carry out work on behalf of the Company are required to work within the framework of this policy.

All new and existing personnel are made aware of the Environmental Policy either during ongoing training sessions or Company Induction
