Payroll & Health Information Form (P&H Form)

You will receive an email from our Onboarding portal, asking you to log in and submit a number of documents by the end of your first working week. Failure to complete this by the deadline may result in your payments being delayed.

Forms from Payroll Provider for payment

If you are to be paid through a Payroll Provider, you must complete their registration forms and our P&H Form in order to be paid on time.

We take no responsibility for the deadline or timescales of another Payroll Provider.

Bank Payment

The payment is made by SEPA every Thursday to the account that you nominate on your P&H Form by 5:30pm. This should credit your account on Friday; some banks may take longer.

We will not be responsible for any bank charges or payment fees that you incur as a result of your payment being late.
